What to Expect:

- **Indoor Clinics & Spring Training:** Dust off those gloves! We get back into the swing of things and welcome fresh faces, who may not yet know which direction to run the bases – but that's okay!
- **Oxford Little League:**
 - Older players (approx. 10 ½ to 14-years-old) will participate in real baseball games, where striving for victory is a goal, but doing their best for their team is the real win.
 - Younger players (6 to 10 ½ -years-old) will enjoy friendly coach-pitch or T-ball, where smiles are the only stat that matters.
- **Inter-City Fixtures:** A select team of a dozen (or so) of our 11 to 14-year-olds will venture into the wilds of southern England to face other youth teams in competitive matches.
- **BBF Mix & Match Events:** Multi-club baseball "festivals" for all ages. Warm-ups, drills and games; where the host club (and visiting coaches) attempt to maintain order while parents give moral support.
- **Parents vs. Children:** An opportunity for parents to show their kids who's boss... or for the kids to prove that their screen time has actually enhanced their hand-eye coordination.
- **Fall Ball:** Relaxed end-of-season sessions, where new players can see if they'd like to join our cheerful crew of baseball enthusiasts.
- **Youth National Baseball Championships:** Where our Oxford academy teams (multiple age groups) will battle for UK youth baseball glory! (We're aiming for trophies, but certificates of participation and strengthened team spirit will do just fine).
