Youth National Baseball Championships - Stage 2	Sat Sept 26 th	11am-3pm	Farnham Park, SL2 3BP

What to Expect:

- **Youth Spring Training:** Dust off those gloves and wake up those throwing arms. We ease back into baseball, welcome new players and make sure everyone remembers which way to run the bases.
- **Oxford Little League (Ages 11-14):** Skills training followed by structured inter-squad matches. Real baseball, real situations and plenty of high-fives — but totally relaxed and suitable for players of all abilities.
- **Oxford Owls – Inter-City BBF League Fixtures:** Selected squads represent Oxford in competitive league matches against LYBL Reds, Herts Phoenix, East of England Atoms and Birmingham Goats. On single-fixture dates (non-double header), we will aim to run a developmental game against the opposition alongside or following the competitive match.
- **Midweek Training:** Focused sessions to sharpen technique, build consistency and prepare for Oxford Little League, BBF league play and Nationals.
- **Youth National Baseball Championships:** The season culminates at the Youth National Baseball Championships, where our Owls compete on the national stage. It's an opportunity to test ourselves against the best, celebrate how far we've come, and represent Oxford with pride.
